Dear Paul:

Enclosed is the material re Bradley Bogart.
It is my recommendation that he be put on the
confidential file for at least three years, when
his own son will be of Scout age.

I feel the man should have the right to request
reinstatement. I base my opinion upon his re-
cord as a Scoutmaster. It is my studied opinion
that he probably just did not have the ability to
handle a coed group of teenagers.

Sincerely,

JOSEPH R. KLEIN

SUBJECT:

Brad Bogart, Advisor

DESCRIPTION:

37 years old
Ht.: 6'1" Wt.: 240 lbs.
Sandy Hair, Blue Eyes
Mustache

On the weekend of February 4-6, Mr. Brad Bogart, Explorer Advisor of Post 9009, took 3 teenage boys and 2 teenage girls, ages 15-17, and 3 younger children, ages 12-13, on a camper trip. The trip was made in a converted milk truck made into a camper, owned by Mr. Bogart.

Mr. Bogart refused to let the children set up tents, insisting they must sleep in the camper truck; although the younger children were not allowed in the camper truck.

Mr. Bogart had fed the 5 older children brandy and after a while proceeded to undress [REDACTED] age 15, daughter of Mrs. [REDACTED]. [REDACTED] age 15, daughter of Mrs. [REDACTED] saw Mr. Bogart fondling and handling [REDACTED] left the truck and slept in a sleeping bag with her boyfriend. Apparently, same thing happened with [REDACTED] and boyfriend.

Mr. Bogart brought [REDACTED] back to the city with him on Saturday, February 5 because he had to go to work, but took her back to the campsite on Saturday evening.

All five older children were under the influence of liquor and were frightened by Mr. Bogart. The girls would not speak of this until strongly questioned by us (the two mothers) when we sensed that something was wrong.

On previous outings, boys and girls have been drinking and sleeping together on campouts. Explorer meetings, held during the week, usually last until 12 midnight. ~~Only fatherless kids are invited to campouts.~~

Re: Bradley Bogart

Dear Joe:

I am in receipt of a letter dated February 29th sent to Gordon Zion, Exploring Executive, concerning Brad Bogart. Unfortunately, the letter has not offered us conclusive proof to put him on our Confidential File.

In order to place this man on the Confidential File, we would appreciate a letter concerning the facts in this case. Substantiating documents, such as letters from people involved, newspaper clippings or copies of police or court records are a necessity. This information is most important for future reference purposes and it would certainly strengthen our position of refusing to accept any future application for registration we might receive from this individual.

Enclosed is a confidential record sheet which we will appreciate your filling out and returning to us as soon as possible, together with the above requested information.

Sincerely,

Paul Ernst, Supervisor

Mr. John Claerhout

Dear Mr. Claerhout:

On February 9, 1972 we filed a complaint with Mr. Gordon Zion at the Chicago office, against a Mr. Brad Bogart who was an advisor with Explorer Troop # 9009. Mr. Zion and Mr. Roger Bogen are both familiar with our testimony regarding Mr. Bogart's conduct during a campout on the weekend of February 4th through February 6th, 1972.

We feel that Mr. Bogart must be prevented from having any further contact with children. Our testimony is being typed at the Chicago office and we intend to sign it to insure that Mr. Bogart's name will be put on the international list to prevent him from ever having any position with the Boy Scouts of America.

Attached is a xerox copy of a letter written by Mr. Bogart, (after he was notified of a possible criminal law suit), the original is filed in the law offices of:

If you have any questions regarding this letter we can be contacted as follows; otherwise Mr. Bogen and Mr. Zion have all the details.
